Cooking Pastes

At Saadi Foods, we believe that exceptional flavor begins with exceptional ingredients. Our Ginger and Garlic Paste is a finely crafted blend of hand-selected, farm-fresh ginger roots and plump garlic cloves—peeled, crushed, and combined in just the right proportions to deliver an intense, vibrant aroma and depth of flavor that elevates every dish.

Made using traditional methods with modern hygiene standards, our paste captures the essence of homemade preparation while offering the convenience today's kitchens demand. We ensure a silky texture and balanced taste without the use of artificial preservatives, colors, or fillers—just pure, natural goodness in every jar.

Whether you're simmering a rich curry, marinating tender meats, or creating the perfect base for a stir-fry, Saadi Foods Ginger and Garlic Paste brings consistency, purity, and gourmet quality to your cooking. Trusted by home chefs and culinary professionals alike, it's an essential staple for anyone who values authentic taste and effortless preparation.

Pink Salt

Himalayan Pink Salt

The smooth glistening particles of Himalayan Pink Salt delightfully give a savory, salty taste to popcorn, roasted nuts, treats, and snack packs. In soups and saucy foods, the tiny grains often melt fluidly, adding an intense pinch of salt. It is less refined and more natural than regular table salt, and when used in coarse salt crystals, only a minimum quantity gives the mouthfeel.
